CENTENARY CELEBRATION AT
CAPE GEORGE.

1889
St. David's United Church at Cape George, Antigonish County, celebrated its one hundredth anniversary on Sunday, September 8, in special rededication services at 2.30 and 7.30 p. m.

Rev. R. D. MacIntosh, B. A., Port Morien, C. B., a former student, was the special preacher for the day. Rev. E. Lockhart, B. A., Antigonish, had charge of the afternoon services and gave a historical sketch of the congregation, stating that while the church building in which they were worshipping was one hundred years old, services had been carried on previous to that in a barn still standing on the farm of Ernest Ballantyne, a great-grand-son of the late David Ballantyne, who, being a member of the 82nd British battalion, disbanded at the close of the American war, came to Canada in 1783, and received a grant of land at Ballantyne's Cove, Cape George. In 1788 David Ballantyne married Helen Morrison, who came to Pictou when two years of age with her parents on the good ship "Hector", in 1773. They first lived at Merigomish, but early in the nine-

ties moved to the "Cove" at Cape George, and were the first settlers there. Other families followed, and soon there was quite a settlement of Highland Scotch at the Cove. Visits of ordained ministers were few and far between in the early days of the settlement, but private worship was kept up in the homes and public worship by the "Elders" in whatever suitable place they could find for such teaching, "readings" and worship.

In 1808 Antigonish was organized into a congregation and settled with their first minister, Rev. James Munro, and soon after this Cape George became part of that congregation and received regular ministrations, paying one-quarter of the minister's stipend. The ministers serving them from Antigonish were: Revs. Thomas Trotter, David Honeyman, Thomas Downie, James D. Murray, Peter Goodfellow and J. E. Munro, in whose ministry, in 1866, Cape George became a separate mission field, with the late Dr. Christopher Munro as the first minister, followed by Rev. J. W. MacKenzie, of Keweenaw fame, in 1887. Since then some forty men have served as catechists in this field, twenty-five of them coming from Pictou county and Cape Breton.

After congratulating the congregation on the splendid work done in repairing and beautifying the church and bearing to them the greetings of the Presbytery, the Rev. Mr. MacIntosh

tance were hospitably entertained by the MacPhees, Ballantynes and others. Altogether, these services celebrating the one hundredth anniversary of the little church at Cape George were a splendid success.

ADDITIONAL LOCALS

George, Antigonish County celebrated its one hundredth anniversary on Sunday, September 8, in special rededicator services at 2.30 and 7.30 p. m.

Rev. R. D. Macintosh, B. A., Port Morien, C. B., a former student, was the special preacher for the day. Rev. E. Lockhart, B. They first lived at Morigonish, but early in the nineties took up residence on the "Grange" at Cape George, and were the first settlers there. Other families followed, and soon there was quite a settlement of Highland Scotch at the Cove. Visits of ordained ministers were few and far between in the early days of the settlement, but private worship was kept up in the homes and public worship by the "Elders" in whatever suitable place they could find for such teaching. Since then some forty men have served as catechists in this field, twenty-five of them coming from Pictou county and Cape Breton.

After congratulating the congregation on the splendid work done in repairing and beautifying the church and bearing to them the greetings of the Presbytery, the Moderator, Mr. Lockhart, led in the rededicator service with the whole congregation joining in the responses. Mr. Fraser of Green Hill, Pictou County, the student in charge, gave a neat address, thanking the people for their hearty co-operation and the friends from outside for their generous gifts. The choir at the afternoon service was augmented by the St. James and the Baptist choirs of Antigonish. Miss Sutherland of Trenton rendered a solo, "Open the Gates of the Temple," and the quartette from Antigonish, J. E. Falt, J. A. Falt, D. E. Graham and A. L. Kerr gave two selections.

At the evening service Mr. Fraser was in charge, while Mr. Macintosh gave another stirring and helpful message to the large congregation assembled. Miss Sutherland again delighted the audience in two well-rendered solos. Those who came a dis-

Student Pastor's Cottage Opened

ANTIGONISH, June 25—On Wednesday evening a number of friends from Antigonish motored to Cape George, there to take part in a happy event, the official opening of the new cottage which has been built as a residence for the student pastor of St. David's United Church here.

A brief service was conducted at the church by Mr. Frank Roebuck, student in charge, at which Rev. E. V. Forbes of Antigonish told the story of how the project had been carried through, extending thanks to all who had assisted and paying tribute to the memory of Mrs. Freda Ernst, whose name the cabin bears, and whose benefactions helped to make it possible.

Greetings were read from the chairman of Pictou Presbytery, Rev. D. S. MacLeod, who regretted inability to be present. Rev. Dr. George A. Christie who had served the Cape charge in 1897 sent a gift of a picture for the cabin wall which was presented by Mr. A. L. MacIntosh.

After adjournment all proceeded to the cottage which was inspected. Shower gifts were then presented to Mr. and Mrs. Roebuck, while ice cream and cake were enjoyed by all present.

A new organ was purchased from the First Presbyterian Church, Victoria for \$75 plus the freight which made a total of \$80. The organ fund was collected by catechists & the amount was paid and collected was added with the \$12.95 from 3 friends in Antigonish. The whole amount of organ fund amounted to \$104.60.  June 26th. Congregational meeting held at 7.30 p.m. for purpose of discussing church repairs. Late last autumn a little spire was erected on the front of the church. It was completed outside and adds greatly to the appearance of the building. Some of the material was given voluntarily, while other expenses (which amounted to approximately \$200.00) were all paid only after borrowing about half the said amount. That debt should be paid as soon as possible. Little or no mention was made of that at this meeting, however, in view of the great need for further expenditure on the church property in general. It is hoped that we may be able to paint the church outside, paper and paint it inside, and repair the yard fence. The people all appear to be in favor of some repair. It was decided to get estimates of probable expenditure as soon as possible.

On July 1st the men of the congregation gathered taking with them the necessary material to repair the yard fence at the church. That done, together, with general cleaning up, gives the yard and cemetery a greatly improved appearance. On this day, as on several other occasions later in the summer, there was a somewhat informal meeting about further action regarding repairs.

Finally it was decided to get Mr. Duncan MacBibbory to do the work, and a provisional agreement was reached about the cost. The congregation decided to buy the paint ready-mixed and the ladies volunteered to raise enough money to pay the papering. The men began work on July 9th, but made little progress then and not until nearly the end of the month was the job completed. That is, church was painted inside and out. In the first week of August the papering was done by the same workmen. The building took almost thirteen gallons of paint (i.e. for inside and out) and consequently that part of the repair program cost much more than we formerly expected.

The whole matter was sometimes, indeed, far from encouraging. It was feared by some that we might run too deeply in debt. At all times, however, there were some who were

optimistic, enthusiastic, and energetic enough to see the job completed. Indeed, they were not satisfied with those accomplishments already mentioned, but it was decided to get new linoleum for the floor; new blinds for the windows, and new covering for pulpit and chair, together with a new curtain for the choir. All these things were finally accomplished. In addition, too, the entry was neatly finished with Douglas fir. Not until the first week of September were the last items of our revised and enlarged repair program pronounced complete.

The various members of the congregation gave most generously towards our repair expenses. But all credit is not theirs alone. Many former residents and loyal friends of the congregation voluntarily sent their contributions. Throughout the summer we were constantly planning for a re-opening service when all was complete. Close inquiry into the historical records of the congregation revealed that the church was built on the present site one hundred years ago, as nearly as we could determine. The date set for the re-opening services was Sept. 8th - the special service being held at 3 p.m. and another service at 7.30 p.m. The day was fine and the church was crowded to capacity at the afternoon service, which was conducted by the Student, Rev. E. Rockhart conducting the Re-dedication and Rev. R. D. Macmillan.

48.
a former student, preaching the sermon. Special music was also provided by the Antigonish male quartette and others. The Collection at this service amounted to about ninety five dollars which went towards the repair fund.

On Sept 12th a congregational meeting was held for the purpose of reviewing the summer's work. There was no exact financial statement then obtainable but it was found that after all the repair expenses for the summer were paid, there was a balance on hand of approximately one hundred dollars. It was decided to use this amount to pay the debt standing since a year. Angus M. Dougall was appointed Steward thus filling the vacancy created by the death of Mr. James M. Dougall several years ago. It was also decided that in future we should have a congregational Secretary. Miss Peggy MacPhie was appointed to that office.

On Sept 1st the services were conducted by Rev. Dan J. McKinnon.

Sept. 15th. Farewell services.

Sept. 16th. Student left the field.

Sept 22nd. Communion service, conducted by the Moderator, Rev. E. Lockhart.

The Sunday School met quite regularly throughout the summer, and although it amounted to little more than a small primary class, yet its accomplishments were probably well worth

51
while.

At regular church services, exclusive of the special service, there was an average attendance of 40.

In one sense, the summer was quite uneventful, there being no births, marriages, nor deaths.

The financial statement is given on page 95. In most ways, I think the summer may be humbly regarded as eminently successful and highly encouraging.

Summer of 1930.

May 9th. Date of arrival of Student.
May 11th. Conduct the first service of the summer at 11 a.m. It is decided not to have any evening services for a week or two.

June 1st. Sunday School was organized immediately after the morning service. It is decided to hold it regularly at that hour during the summer, since that will enable the children who are far away to attend. The Sunday School service will be quite brief so as not to weary the children. It was suggested by the Student that all who attend morning worship should remain for Sunday School. Several classes would be organized. It was thought that this might enable a fresh study of some questions which could be discussed in Bible class. The system has worked well some places. Some of the people here, were either opposed or not enthusiastic so that the proposal was dropped.

June 1st. Have first evening service of the year at 7.30 p.m.

June 8th. Student conducts evening service in Antigonish. No service at the Cape in evening.

Sept. 7th. Student preaches in Antigonish in morning. Rev. E. Rockhart conducts Communion service at Cape George. One new member, James Adams, united with the church. Thirty members took communion. Preparatory service was held on Friday evening. Both Rev. E. Rockhart and Rev. B. R. Tupper were present, as well as the student. Mr. Rockhart took part in the service and Mr. Tupper gave the address.

Sept. 7th. Student preaches farewell sermon at evening service. Large attendance.

Sept. 8th. Student leaves field.

Sept. 14th. Rev. E. Rockhart conducted a special service in the afternoon at which Harold Ernest Ballentyne, son of Mr. and Mrs. E. P. Ballentyne, was baptized.

Sept. 28th. Another special service was conducted by Rev. E. Lockhart. Douglas Ray Stone, son of Mr and Mrs John Stone was baptized.

This summer differed considerably from the past one, in that no repair work of any kind was done. Looking back, one notes that the signs of material progress are lacking. It is therefore more difficult to estimate the success of the summer's work. A few things, however, might be noted. The attendance throughout was probably even better than last year. Towards the end of the season, the student took advantage of the occasion to thank the members of the congregation for the very generous way in which they supported the work in the past. He pointed out that the Church at large was facing a financial crisis this year, which meant that if any members of the congregation felt like giving a little extra this year, it would be highly appreciated. Apparently, the response was very marked. At any rate, the field came nearer to paying the whole of its expenses than at any other time, at least in the recent years of its long history. The financial statement appears on page 96. Besides the amount referred to there, the field con-

tributed almost forty dollars (\$40. to the maintenance and missionary fund. This amount was raised by special collection in mid-summer.

The attendance at Sunday School was approximately double that of last year. The interest seems to have been increased. The work done with this small group of growing boys and girls seems to have been worthwhile. At the close of the summer the Sunday School expressed its appreciation to the student by presenting a generous gift.

One of the most important offices in a church is that of organist. Miss Peggy MacPhie proved not only capable, but very faithful. Her work was appreciated in the Sunday School as well as in the Church. At the close of the summer the congregation tried to express its appreciation by presenting her with a gift of twenty dollars in gold.

September 25th Communion service was held. Rev. E. Lockhart, B.A. officiating. Student supplied for Mr. Lockhart at Antigonish in morning of that day. One new communicant. Harvey Mason, Livingstone's Cove, was added to the number.

This year the Board of Home Missions cancelled its grant to this field. On Wednesday, Oct. 5th at 7 P.M. a meeting was held to consider the problem of making up this loss. No solution seemed forthcoming other than to increase giving. This was carried out with telling results. Most of the congregation gladly and willingly responded.

It has been a joy and delight to work on this field for the past two summers. The services have been well attended; the people have willingly co-operated in helping to make them what they have been. The Sunday School and Bible Class with the help of Mrs. Angus MacDougall have been a decided success and a very important phase of the spiritual work of this field.

This summer, as last, the Home Mission Board cancelled its grant to this field. In spite of this fact the field met all its expenses, leaving a balance besides (See p. 99 for Financial Report). This was accomplished by generous givings on part of the families, by supplying Antigoniash pulpit, and by putting on a supper, which realized \$34.30.

The services were well attended, and the cooperation of the organist, Miss Margaret MacPhee, and the

choir helped towards a happy and profitable summer.

Every service of the Sunday School was well-attended, and with the help of Miss Ella MacPhee, who taught the primary class, the summer's work in this department was a spiritual success (Financial report of Sunday School also on p. 99).

Linked with the Great World

Take out your map of Nova Scotia and find Cape George on the north coast, commanding the look off into the Gulf of St. Lawrence and the entrance to the commodious bay that

held with supply of its own, at least during the summer months. On July 22nd the good people here celebrated the fiftieth anniversary of St. David's Church, under student supply. Donald Macintosh, son of the late Rev. Dr. John Macintosh, of Sydney, student pastor, conducted the impressive commemorative service. Rev. Dr. C. C. MacIntosh, of Antigonish, told the story of the fifty years and more in an interesting historical narrative. Rev. A. D. Archibald, ex-President of the Maritime Conference, student in this field some forty years ago, brought the sermon message. Rev. M. S. MacKay, of Westville, N.S., student here in 1890, now retired, offered prayer. An interesting feature of the service was the calling of the roll of students who have served the field during the half century, all but two or three of whom became ordained ministers. A glance at the roll commands one's admiration for the uniformly high order of service rendered by one and all in the after years, many of them filling outstanding positions of leadership, not in the province alone, but far afield across Canada, over the continent, and in the mission lands of the Church. The pioneer Canadian missionary to Korea, Rev. W. J. MacKenzie, was student missionary in St. David's in 1887. The founder of the Frontier College, lately deceased, Rev. Alfred Fitzpatrick, served here in 1889. Rev. Dr. A. J. W. Myers, now professor in Hartford Theological Seminary, spent a summer here at the turn of the century. Rev. R. D. Macintosh, missionary in Trinidad to-day, fulfilled his duties at Cape George in 1923. And so one might go on, naming those who have served in this little field, many of whom have passed to their reward, but more of them still with us, and all with records of faithful and effective service in rural and urban centres, messengers of the Great Evangel in the wider world. Arise, Cape George, stand upon thy feet! Who would not be proud to enroll his name among your worthies of those fifty years?

Many thanks are to be extended to all those who contributed much towards making the summer so worth while as it was. Especially would be mentioned the faithful services of Miss Margaret Macpherson at the organ, and the members of the choir in singing as also the work of Mrs. Ballantyne in Sunday School.

And the Congregation go all to be congratulated on the favourable financial statement, all they are to be heartily thanked for their kindness throughout the summer.

An annual congregational meeting was held on Tuesday evening, Sept. 14, at 7:00 o'clock.

There were only 12 present but the majority of families were represented. A financial report was given by the Treasurer, Leonard Mabbitt, which was very favorable. Up to this date the weekly Sabbath offerings had amounted to \$708.08. This was the highest amount ever reached from Sabbath offerings in this student mission field. A balance of \$63.97 had been carried over from last year. Expenses from this amount so far this year had been \$63.40. This leaving a balance on hand of \$108.65.

Mr. Leonard Mabbitt reported for the boy social held 7535 was the amount raised at the social. Out of this carpet had been purchased and curtains placed on railing around the choir place. A balance of \$40.52 was still left.

The choir was renovated the pulpit moved, and carpet placed down by a few willing workers free.

Mr. Mabbitt also reported the collection taken at home by Mr. Rogers on June 3. Out of this collection student and South exchange were paid. A new collection plate was purchased.

It was decided to make the final payment of Leonard Monument Subscriptions in October.

The matter of church paper work was decided by a decision was made.

The meeting also discussed the matter of papering and painting the church before next year.

and of purchasing additional individual communion cups.

This matter was carried over until next decision.

The trustees were authorized to see that any matters of minor repairs to the church were carried out when they became necessary.

There is a loan of \$200, bearing interest annually at 5% with a member of the congregation. This is part of a bequest of \$500, the other \$300 of which is invested in 1954 Victory Bonds, bearing interest at 3%. These bonds are in a bank in Antigonish and are entrusted to three trustees, Mr. Alie MacPhie, and Mr. Alec Macmillan and Mr. Allan Adams, the latter elected at a congregational meeting on Sept. 19th, to replace Mr. James MacDougall, deceased, and Mr. Seward MacPhie, resigned. At this meeting Mr. James Adams was re-elected treasurer for 1944.

A sum of \$100 has been left for the "use and benefit" of the church by the late Angus MacDougall and is to be paid shortly by the executor, Mrs. Muriel MacDougall. In addition, there is a sum of \$40 being retained for local church purposes, the latter a supposed surplus from 1942.

At a meeting held the last Sunday night, it was decided after the financial report was presented, that of the balance (\$54.80) \$10.00 should be forwarded to the Home Mission Board for the student's salary fund. The rest of the amount is being set aside for future and much needed work on the exterior of the church building.

Apart from this, \$12.00 was raised for the Missionary & Maintenance fund. The objective was \$10.00, an amount more than any other year, and the congregation is to be congratulated for not only reaching it, but surpassing it.

All in all, the finances are in good shape for so small a church, due to the combined efforts of all its members.

A congregational meeting was held in St. David's United Church Aug. 18th for the purpose of discussing church repairs. A committee was formed with Mr. Leonard Macmillan elected as chairman and Miss Peggy Macmillan secretary. Other members of the committee are as follows:

Mr. Alec Macmillan
Mr. Willie Adams
Mr. Alec Adams
Mr. Theodore Johnson, who together with the Macmillan family are deeply interested in the repairing of the church building, presided at the meeting. Dr. William Macmillan of Watkinson Mfgs. was authorized to temporarily collect a relief fund for the repair of the said church building and a letter has been forwarded to him to that effect.

On September 21st a congregational meeting was held following the morning service. One of the topics discussed was the appointment of an Elder to succeed Mr. James Macmillan. It was recommended that the appointment of an Elder be postponed until a later date. Mr. Alec Macmillan in the absence of Miss Peggy Macmillan was present and seconded that a letter be presented to Mr. Macmillan. The service is faithfully recorded. A vote

Students' Report 1947

A congregational meeting was held in St. David's United Church Aug. 18th for the purpose of discussing Church Repairs.

A committee was formed with Mr. Leonard MacKie elected as chairman and Mrs. Peggy MacKie as secretary. Other members of the committee are as follows, Mr. Alex Macmillan, Mr. Allan Adams, Mr. Madeline Johnson and Mrs. Alex Adams.

Mr. Willard Macmillan of Watertown, N.Y. was authorized and empowered to solicit funds for repairs of the said church building and a letter was forwarded to him to that effect.

Total amount raised by Johnson & Macmillan, U.S.A. \$2,829.88. Two thousand eight hundred twenty-nine dollars and eighty-eight cents.

Following the morning service on Sept. 21st a second congregational meeting was held. One of the topics discussed was the appointment of an Elder. Since the death of Mr. Eugene MacKie, Mr. Alex Macmillan has been the only member of the Board of Session.

After some discussion, however, it was decided that one member was sufficient for the time being, and that the appointment of another Elder be postponed until a future date.

At the same meeting it was moved and seconded that a gift of \$10.00 be presented to the organist, Mrs. Peggy MacKie for services so faithfully rendered.

A vote of thanks was also extended to Miss Ethel MacKie, who regularly placed

Thanks to the Church.

It is a honor to be able to add my name to the great succession of ministers and students who have served Cape George mission field. I trust that in the discharge of my duties, I have not failed to live up to the standard of efficiency which they maintained.

With that year has been very profitable to me, despite sickness, mistletoe and fog hazards, which hampered church services on your Sundays. On the whole it has been quite satisfactory, and comparable with other years. Church services have been very well attended and the North Side Sunday School group has been very prompt and faithful in their attendance. A word of thanks is extended to Mrs. Alex. Wilmitt, who permitted us the use of her living room for Sunday school as in previous years.

I regret that St. James Church of Antigonish was failed to cooperate and help in closer touch with Cape George in recent years. For an occasional service during the fall and winter would be so much appreciated by the Cape George congregation.

To all who have helped to make my stay at Cape George a pleasant one up to year successful I simply say "Thank you".

Student's Report 1948.

Throughout the summer regular Sunday services were held morning and evening, which were very well attended.

Sunday School also was held regularly on Sunday afternoons when people from both sides of the Cape met together at the house of Mrs. George Mason. These sessions were thoroughly enjoyed by ^{us} and we hope by the people as well.

So through the week activities could be carried on because of the security of young people on the field. A very successful picnic was ~~held~~ held during the summer to which children of the other denomination were invited. It was appreciated by them and was largely attended. We want to thank all who helped in any way to make it a success. A special word of thanks should go to Mr. and Mrs. Johnson who contributed very largely to its success.

On September 19th Rev. C. J. MacDonald visited the charge for Communion service. It was much appreciated by the congregation. At the service also three young people were

received into full communion
and fine children were baptized.
A thorough repair job
was done on the Church during
the summer. we appreciate

Students Report
Summer - 1953

Student's Report

1938

May 7th - Student arrived at Cape and preached the following day. Service was held in the morning only during the month of May.

May 29th - First Day of Sunday School, which is held before church in the morning. Mrs. Ernest Ballantyne was the junior teacher. Miss Kathleen MacNeil primary and secretary-treasurer. Student conducted Bible class.

June 5th and henceforth - Service morning and evening.

July 24th - Student left with Laryngitis and unable to preach at J. MacNeil of St. Andrews United Church, Halifax, conducted service in the morning & service in evening.

June 27 & 29 - The men of the congregation raised the church and put slatted new pews in the foundation. The church is now in good shape, except that the interior needs repainting.

Aug 4th - Ladies cleaned the interior of the church.

Aug 21st - Rev. Lawrence T. Hoag, of the Fellowship of Reconciliation, formerly of the Abolition Hudson Mission, New York, preached in the evening.

Sept 4th - Young People's Service in the evening with attendance of 146, 16 taking part. Mrs. Ballantyne led in prayer, James Adams led in a Service of Thanksgiving and Dedication, and Frank Shupin recited a poem. Myrtle Berry read the scripture. Stories to illustrate the general theme, "The Christian's Quest" were told by Lila Tracy and

Seward Macdonnell. 7 young Peoples choir gave special music, with the student officiating at the organ. The collection was taken up by Seward Ballantyne. The service was in all ways a success, largely owing to the cooperation of the young people.

Sept 25th - Student's farewell service.

Communion is to be dispensed by Dr. C.C. Macintosh of Antigonish, on October 2nd.

Nov 4, 1937 - Since the departure of the last student Eda Elizabeth MacNeil, daughter of Seward MacNeil and his late wife, Annie Ballantyne was united in marriage to Alexander Hugh Benson Adams, son of Mr. and Mrs. Allan Adams by Dr. C.C. Macintosh. The young couple will reside at the same home of Seward MacNeil, Cape Sable.

The summer has been a successful one, if the student's enjoyment of it is a measure. There has been no sign of growth, there having been no birth, marriage, and death during the student's stay, but quiet cooperation has not been absent financially or otherwise. The young people have proven themselves capable of carrying on the singing, even without the aid of senior members of the choir. He student does not intend to forget the Cape. J. Macdonnell, student.

Student's Report 1939

It is with mixed feelings that I take up my pen to write the lines for the 4 months I spent as student minister at Cape Sable. I have lived on the most peaceful periods in my life. From morning to night I have been on the most peaceful fields of the United Church, I am proud to include my name in the list of those who have served long & faithfully at the Cape.

It will probably be apparent to the reader of this report that this year's student career has been more active than my other student years. I feel that I have not made it clear in this report that I am not because I was determined to outdo my predecessors & to reap glory for myself, but because I thought that if I were to make a success of my education here at Cape Sable, then I must be very active. I do not make my mark as a clever student, neither as an authority or an expert on matters religious. I feel that my chief asset is the fact that I have been endowed with natural ability to act as a leader, & to organize activities both in chapel & community. In such a position, I tried to set this summer as it was my aim to do something while both for the people of my congregation.

to the citizens of the community, regardless of denomination. There are those who are criticizing me for creating so much activity; there are those who have honest, more of my enviousness as "childish ideas." Yet I felt quite justified in carrying out the program that I did. My life the students who come after me will try to carry on the sort of program; they will find that the majority of people will appreciate it, if only they make it worthwhile. However, I say that if we were successful in my endeavor the summer, it would show the good folk of St. Louis gave me their full cooperation; little working with them. I hope and wish to bring something for the people to be content, if not for a long time to be a slave to a busy one; it has been a great success.

The Summary:

May 26 - The student arrived on the field; I looked at Alex. Olson's with side.

May 28 - 1st. & 2nd day of service; morning & evening; away to a good start.

May 29 - Rev. W. S. G. Jeffrey, Supt. of Mission collected at student.

May 30 - student began his visiting

June 18 - congregational meeting held after morning service & before lunch. to hold a congregational picnic at Wilkesboro, N.C. after a 5. There also held a missionary service on June 23. It was decided to hold a picnic in an endeavor to present the missionary service in the morning. It was planned to have an open-air service in the afternoon with music being rendered by a tellerton singer.

During June, the student enjoyed singing & playing among the children of the South school through the kind cooperation of the teacher, Miss Land.

June 29 - student presented himself in a concert at the school in connection with the formation of the new church, which was held during the student's visit at the time. The student was thanked for his work with the young. A worthwhile endeavor.

attendance at both services.

Students Report

1941

- May 15th Student arrived on field boarding at home of Alex. Adams.
- May 18th Morning services were commenced this being the usual practice.
- June 1st Evening services were resumed for the remainder of the summer.
- June 15th an afternoon service was held while the student supplied for Rev. Angus MacQueen, while he attended conference.
- July 7th Rev. W. S. Godfrey, Superintendent of Missions for the Maritimes visited the field.
- July 27th The men of the congregation cleaned the church-yard.
- Sept 3rd The ladies of the congregation cleaned the church.
- Sept. 7th Rev. Angus MacQueen of Antigonish conducted Communion and Baptismal services at 3:00 P.M.
- Sept. 25th Last services of the summer held. Thanksgiving service was conducted at the morning service.
- Sept 29th Departure of the student.
- Sept 25th Mr James Adams, elected Elder at congregation meeting St. David's Church sustained a great loss in the passing of the late Angus Mac Dougall. He had been an Elder and almost faithful and devoted member until his death on Feb. 5th or Jan. 6th. Mrs. Margaret Ballantine passed away after leaving been an invalid for some time. Another death was that of Stewart Mac Millan on Feb. 16th.

Since the services closed last there have been two births, to James and Olivia Arbuckle Adams a daughter Beverly Joya on May 10, 1941; and to William and Florence Kemy Mac Millan a daughter Irene Florence on Feb. 1941. Both these babies were baptized by Rev. Angus MacQueen on Sept. 7, 1941.

It was not considered practical to have a Sunday School, the Ballantine children being the only ones able to attend.

Although there were few fine Sundays that would encourage visitors to come, the attendance on the part of the members has been good. Especially commendable is the perfect attendance of S. J. de Jean Marie Ballantine at all services.

A generous contribution was received from the Mac Millan family in the United States for the repair of the church in memory of their parents the late Mr. and Mrs. John George Mac Millan.

The faithfulness of the organist Miss Margaret MacPhie has been greatly appreciated. The services have also been greatly helped by the floral contributions of Miss Edna MacPhie.

Not only these mentioned, but the whole congregation have co-operated splendidly to make this a memorable summer indeed.

Student's Report 1942

- June 7. Student arrived on field after preaching in morning at Antigonish. Evening service here. Batching at the late Angus Mc Dougall's house.
- June 17. Rev. W. S. Goffey, Superintendent of Mission paid short visit to field.
- July 7. Men of the congregation cleaned up churchyard.
- July 12. Both services conducted by Rev. Donald C. Boothroyd, Charlottetown, P.E.I.
- July 14. Student leaves field to assist at a Boys' Camp at St. George's Channel, Cape Breton.
- July 19. Both services conducted by Rev. Burton Crowe, Port Hawkesbury who exchanged with student.
- August 1. Beginner Sunday School class started on North side. Seven scholars.
- Aug. 27. Messrs Allan and James Adams completed the repairs to the foundations of the Church. The west side was raised slightly. Foundations now are in good order and should last some time. The women of the congregation cleaned the church.
- Sept. 13. Communion service conducted by Rev. E. B. S. Miller of Antigonish. Twenty-two communicants. Two children baptized and seven received as new members into the Church.
- Sept. 20. Student's farewell service in a.m. Home defense church parade in evening.
- Sept. 21. Student leaves field.

On May 16, 1942 a daughter, Harriet Rose, was born to William Mac Millan and his wife Florence Kenny. On June 12, 1942 a son, Redmond Keith was born to Alexander H. S. Adams and his wife Ella Mac Phee. Both

children were Baptized by Rev. E. B. S. Miller M.A. of Antigonish on Sept 13/42

As some of the supporters of the Church have moved away or deceased, it was necessary for the student to batch as the field could not raise the board money and remain self-supporting. A few of the homes preferred to board the student.

The Sunday School was organized after some delay, on the North side meeting at the student's house. The Home Dept. Extension plan has been put in operation on the North side as the only children of S.S. age are of the Ballentyne family. The generous offer of Miss James Adams to conduct the school through the winter is greatly appreciated as it is the only religious service continuing all year.

Due to Compulsory Military training I have been late in arriving on the field. Thirty services were held on the sixteen Sundays with the average attendance in the morning as 24 and in evening as 17. I know both the students and the congregation greatly appreciate the faithfulness of Miss Margaret MacPhee at the organ, and also the flowers sent by Miss Ella MacPhee. I have been greatly encouraged by the good attendance at all services, and would like to congratulate Jean and Helen Ballentyne on their perfect attendance at all services. On the whole I have found the summer most enjoyable and inspiring, and my neighbours very cooperative.

Student's Report 1943

May 14th - arrived on field

First service May 16th. Morning services only held for first six ~~student~~ Sundays until spring sowing is over and farmers free.

May 28th

a Sunday School Convention was held in the church by Rev. Mr. Ladrey and Rev. E. B. S. Miller of Antigonish. There were two sessions, one in afternoon and one in evening, the latter fairly well attended.

June 6th - no service was held in the morning as the student supplied for Rev. Miller in Antigonish who was at conference. Evening service was held instead.

May 1st - June 1st - The student acted as substitute teacher in the day school.

June 14th - 19th - student away on trip home

June 23rd - Sunday School on north side begun with seven children at Mrs. Alex. Macmillan's. A Sunday School class of the three younger Ballantyne children was begun on Sunday afternoon in the church shortly after.

July 1st - 24th - student away on trip home

Aug. 11 - 18th - A Vacation School was attempted with the seven children of the north side Sunday School for five afternoons in the vacant house owned by Mrs. Angus Macdonnell.

Aug. 23rd - 28th - student away on trip home.

Sept. 12th - student exchanged with Rev. Miller when the latter came to Cape to hold Communion service.

Aug. 10th - four women of the congregation cleaned church.

June 22 - 26th - church was papered and painted by workers from Antigonish. This was done with \$50 donated by the ten

members of the Macmillan family now residing in the United States, in memory of their parents, the late Mr. & Mrs. John George Macmillan, buried in the St. David's Churchyard. The money was entrusted to Mrs. Allan Adams who arranged for the work. \$10 was left over.

Aug. 29th - a special service was held on Sun. Aug. 29th, at 3 p.m. to observe the rededication

done in June. The opening as originally planned was delayed because of difficulties in securing a guest preacher. Rev. Allison Fraser kindly consented to come on this date and Mr. Allison Barter and Mrs. E. B. S. Miller from Antigonish rendered solos. There were two carloads of visitors, a total attendance of about forty.

The service was a success. A special offering amounting to \$10.82 was taken to supplement the \$10 residue in order to secure a new carpet for the choir which is expected to be secured between now and next spring.

Aug. 10th - the funeral of Charles Masphae, originally a native of Cape George was held by Rev. Allison Fraser from the church. The remains were forwarded from the States.

Aug. 26th - the funeral of Ernest Ballantyne was conducted by Rev. E. B. S. Miller. Mr. Ballantyne passed away after a trying illness of some duration on Aug. 24th.

Sept. 20th - student leaves field after farewell services on Sun., the 19th.

The summer was a fairly pleasant one. Mrs. Ernest Ballantyne kindly consented to loan the student throughout the summer. The board was raised at the rate of two weeks board from each family. Because of the

152
board requiring to be paid in cash and a higher rate of salary, the congregation felt a relatively small amount short of meeting the congregational expenses. They are to be congratulated for their fine contribution financially and, for the most part, spiritually. The average attendance was 20 at each service, there being more than this in the morning and less at night. Miss Margaret Macphie was the faithful organist. The lamps were looked after by Mr. Leonard Macphie. The flowers placed regularly in the church by Miss Etta Macphie were appreciated.

The Vacation School was a new venture for both the field and the student. It had its limitations on both sides but may be judged successful.

The North Side children showed notable faithfulness and interest in the Church School class held there on a mid-week evening. The class in the church was also worthwhile.

No new members were added as none were in prospect prior to the sacrament Sunday though not quite all adherents are yet members. There were two baptisms (the Partridge children).

The student has had a profitable summer, fairly well occupied, and trusts that the people have also profited from his stay here. They have been friendly and generally cooperative. The student made 90 pastoral calls, in all.

(over.)

I do not intend to leave an account here of what I have done this summer, for present or future generations to peruse, and either to praise or condemn. If my work has been a success, then it will manifest itself in the lives of those whom it has affected. If it has not been successful, then what I might write in this book would never fill the gap.

I have prayed for guidance throughout the summer, and thus blessed have given my all spiritually. If I have helped anyone along the sometimes difficult road of life by a constant effort to renew lost faith, then the credit goes to God - the source of all inspiration.

The attendance at Church has been good throughout, with perhaps a higher average than in latter years. Miss Peggy Naphee for yet another year remained a patient and loyal organist. Flothing caused her to lose her delightful sense of humor. She has my thanks and the congregation's gratitude. Miss Etta Naphee continued a well established tradition by bravely placing flowers regularly in the Church. They were more than just appreciated.

Beyond that I want simply to say a big "Thank you" to the people of Cape Hope for their kindness, hospitality and co-operation. This summer will remain forever among my happiest memories.
